

Testimonies abound of how God has used the IHML Bible Study to minister to the searching ...

“We asked every Sunday morning guest that responded during the altar call for a Bible study before the evening service. Those who agreed were taught IHML and would come straight out of the Bible study into the worship service. Many of these were baptized and received the Holy Ghost in the evening service. During six weeks in April and May of 2008, we baptized 36 first-time visitors and saw 34 of them filled with the Holy Ghost.”
